### Google CarPool - Waze

#### One driver, one rider, one less car on the road Waze Carpool is an easy way for everyone to:

Help each other out

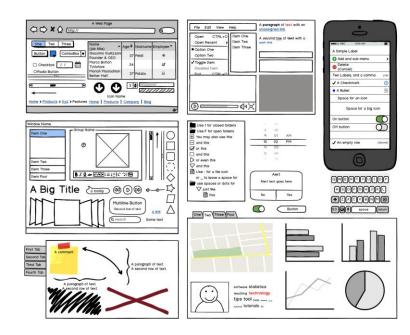

Spend less money on commute costs

Make the most of a drive that's

Support a greener commute with fewer happening anyway cars on the roads

#### Powered by the Waze community you know & trust

For years, Waze has established a trusted community of drivers, with millions of Wazers helping each other beat traffic on the fastest routes. Since so many people are already using Waze to get to work, why not help a fellow commuter heading in the same direction? That's what the Waze Carpool pilot is
